Using Your Printer Software

Step 1: Install the Software

After the printer software is installed, you will be prompted to install the printer software. If you are prompted to install the printer software, click the Yes button. If you are not prompted to install the printer software, click the No button.

To verify that the printer software is installed correctly, follow these steps:

1. Click the Start button and click on the HP Deskjet 640c icon.
2. Verify that the printer is listed.
3. In the Control Panel, click on the Device and Printer icon.

Hewlett Packard (HP) driver. Hewlett Packard (HP) Printer Drivers. This site maintains listings of printer, plotter and multi-office equipment drivers available on.

The following is a partial list of products manufactured under the Hewlett-Packard brand.

i need 1220c hp printers drivers for windows 7. The drivers for your HP product are already included in the new Windows 7 operating system!

I need the driver for the hp deskjet 640c printer. I have the usb to parallel adapter. I have windows 7 on my pc. Can you help, please.

We help you choose which HP printer ink or toner cartridges are compatible with your HP printer. HP OEM and remanufactured with normal or high-capacity cartridges are.
